Tonight we are here to discuss Emergency Service coverage for Mill Hall Borough starting on January 1, 2026.

We want to establish some ground rules for this evening's meeting to ensure it runs smoothly, stays on time, and remains respectful to all in attendance.

1. If you wish to talk, you must be signed up before speaking. State your name and your address for record.
2. Everyone signed up to talk will have 3 minutes to give us your comments.
3. When someone is speaking, everyone is encouraged to be respectful and recognize that their remarks reflect their personal views, which they are entitled to hold.
4. Anyone talking out of place or arguing with another on their viewpoints will be asked to leave immediately.
5. Avoid foul language or derogatory remarks.
6. It is our intent to keep this meeting moving and not to exceed 1 hour in length.
